Comprehensive Statistics of Staff employed under the Government of West Bengal

(As on 28th February, 1959)

INTRODUCTION

1. Since 1948 the Bureau has been compiling every year statistics of staff employed in various offices under the State Government. The present report relates to the staff position as on 28th February, 1959.

2. Schedules, that is the staff report forms, were as usual sent by post to all offices under the State Government. Schedules were filled up by the different offices concerned and sent back to the Bureau, where the report has been compiled. Fortunately enough there was no defaulter this year and it is hoped that the report represents a full picture.

3. As usual the report includes the following tables :—

(i) Tables showing categories of Government employees classified according to the nature of service along with their pay and other emolument,

(ii) Tables showing (actual number of) staff

(a) by basic pay groups,

(b) by emolument groups,

(c) by departments,

(d) by services,

(e) by scales of pay,

(f) by districts of posting, and

(g) by sex of the employees.

A table showing departmentwise distribution of staff appointed during the year and in service has also been incorporated in the report. There are two tables for Statistics of scheduled caste and scheduled tribe employees. In addition to these, there are also a number of summary tables.

4. The report represents the exact position as on the 28th February, 1959 and covers, subject to the limitations stated hereinafter, all persons employed under the Government of West Bengal, whether permanent, temporary, part-time, piece-rate, contingency or work-charged, and also include those on leave or under suspension. Part-time employees, who work in more than one office, have been shown against only one office.

5. Mainly because of inclusion of persons on leave and suspension, the number of Persons shown under a particular category does not always represent the total number of posts actually sanctioned.

6. "Other emoluments" shown under pay and allowances in the table include the following items :—

(1) Special pay for additional (part-time) duties.

(2) Special pay for extra responsibility.

(3) Personal pay.

(4) House rent allowance.

(5) Permissible monthly travelling allowance.

(6) Motor car allowance.

(7) Horse or pony allowance.

(8) Cycle allowance.

(9) Unconditional conveyance allowance.

(10) Compensatory allowance for expensive living.

(11) Allowance for living in unhealthy locality.

(12) House allowance in lieu of free quarters.

(13) Non-practising allowance.

(14) Other allowances.

(15) Emolument on piece-rate.

7. Appendix 'A' gives a list of Department (Secretariat) under Government of West Bengal. Appendix 'B' shows a list of Offices of other units of establishments which have furnished the Statistics for the present Compilation.

Appendix 'C' is a chart showing the organisational set up of the Government of West Bengal as on 28th February, 1959.

Summary of Results.

The total number of staff employed under the Government of West Bengal on 28th February, 1959 was 1,02,120 as against 1,73,832, in the preceding year. Entertainment of additional staff by the departments of Land & Land-Revenue, Health, Development and Home, and presence of a large contingent and work-charged establishments under Cinchona Directorate would account for this difference. Table 0-0 given shows the staff under broad categories.

Total number of persons employed by the Government as on 28th February, 1959.

TABLE 0.0

Total	4,972	36,201	91,174	127,465	59,683	187,148	192,120		
Permanent	3,338	10,535	52,593	63,128	10,367	73,495	70,833

Others	30	1,793	4,334	6,127	17,844	23,971	24,010		

The term "others" in column (1) refers to the staff employed on part-time, piece-rate, contingent, work-charged and contract basis. Out of the total staff 40 per cent. are permanent, 47 per cent. are temporary and the remaining 13 per cent. are employed otherwise. Looking into the break-ups, however, it will be found that 3,338 out of a total gazetted staff of 4,972 or about 67 per cent. are permanent; amongst the non-gazetted superior clerical staff 10,535 out of 36,201 employees or about 29 per cent. are permanent and amongst the non-gazetted non-clerical superior staff 52,593 out of 91,174 employees or about 58 per cent. are permanent. Amongst the non-gazetted inferior staff 10,367 out of 59,683 employees or about 17 per cent. are permanent. It may be noticed that out of a total staff of 1,92,120 less than 3 per cent. are gazetted; about 19 per cent. are non-gazetted superior clerical, more than 47 per cent. are non-gazetted superior non-clerical, and about 31 per cent. are inferior staff.

Table 0.1 shows the percentages of permanent staff amongst the different categories of employees during consecutive five years :—

Percentage of permanent employees in a category to total employees in that category.

Column (5) of the table shows that 2·12 per cent. receive emoluments of Rs. 1 to Rs. 25 per month, 3·90 per cent receive from Rs. 26 to Rs. 50 per month, 29·39 per cent. receive from Rs. 51 to Rs. 75 per month and so on. Columns (6) and (7) show respectively the cumulative totals and percentages of persons who receive emoluments at a level equal to and higher than various levels or groups shown in column (1). Thus a total of 11,634 or 6·06 per cent receive emoluments of Rs. 251 and above, 7,835 or 4·03 per cent. receive Rs. 301 and above, 3,704 or 1·93 per cent receive Rs. 401 and above, 1,997 or 1·04 per cent. receive Rs. 501 and above, 1,039 or 0·54 per cent. receive Rs. 701 and above, 482 or 0·25 per cent. receive Rs. 1,001 and above, 191 or 0·10 per cent. receive Rs. 1,501 and above, 79 or 0·05 per cent. receive Rs. 2,001 and above and finally 32 or 0·02 per cent. receive above Rs. 3,000.

A comparison of tables 0·2 and 0·3 shows the effect of allowances on basic pay received by Government servants. For facility of comparison the relevant columns of the two tables are shown side by side in table 0·4 below :—

Distribution of employees in different basic pay-group and emolument group.

It will be seen from the above table that except for allowances only 94,598 employees out of a total 192,120 or 49·24 per cent. would have received Rs. 51 and above per month, whereas, the number actually, as a result of granting allowances etc., is 1,80,559 or 93·98 per cent. of the total. Similarly, 30,656 or only 15·96 per cent. would have received Rs. 101 and above, whereas, the number actually is 79,827 or 41·55 per cent. of the total. Similarly for other pay-groups.

The distribtuion of employees according to basic pay group in relation to other financial aspects of pay is shown in table 0.5 below :—

Leaving out the 1st group, i. e., those without any basic pay like Contingent and work-charged establishments, Per Carpita pay works out at Rs. 121 per month. On account of an increase in the number of work-charged and Con-
tingent employees the Per Capita emoluments works out at Rs. 118 per month. It will be, however, noticed (vide
Nos. 7 and 8) that dearness allowance and total emoluments per rupee of basic pay do not register any change.
The figures for the five consecutive years are shown in table 0.6.

There are 10,239 women in West Bengal Government service as against 181,881 men⁷ in the year under review. The numbers of female and male Government employees in the preceding year were 6,281 and 166,851 respectively. It will be seen from column (5) of the table that considering the state as a whole, the percentage of female employees to total number of employees is about 5.3. It may be seen from the table that the district of posting was not mentioned in 237 cases. Among the districts, Darjeeling has the highest percentage of female employees (inclusive contingent and work charged labourer) and West Dinajpur the lowest. In Calcutta the percentage is 6.0. It will be noticed from column (6) that 30.2 per cent. of the total employees of both sexes are posted in Calcutta and 13.5 per cent. in 24-Parganas. Thus about 43.7 per cent. of the total employees are concentrated in these two places.

This year the Cinchona Directorate reported employment of more than 4000 Contingent and work charged plantation labourer including no fewer than 1082 female hands. Inclusion of this large labour force has resulted in Darjeeling being the district with the maximum concentration of Government employees as also the highest percentage of female worker.

The table 0.8 will indicate the number of State Government employees per sq. mile and population (according to census, 1951) per Government employee, district by district.
